FOR IMMEDIATE RELEASE

PRAGMATIC EXPANDS OPERATIONS IN 2003 TO SATISFY CUSTOMER DEMANDS

(Pragmatic Communications Systems, Inc., Santa Clara, CA) – Pragmatic is expanding due to increases in business over the last few years and has outgrown their old location at 544, Weddell Drive, Suite 8, in Sunnyvale, California. The new, larger location is at 2934 Corvin Drive, Santa Clara, California 95051. The new phone number is: 408 735 0300 and the new fax number is: 408 735 0800. The web site remains the same at www.wireless-experts.com.

Eddie Raymundo, Chief Engineer: “The new expanded office is a long time in coming. Not only can we better manage the business we currently have, but we finally have the capacity to add a dozen more engineers for future expansion.” Pragmatic has a wide range of products all focused on wired (specifically audio and video transmission over CAT5 structured wire cabling) and wireless A/V systems. Pragmatic continues to grow and produce new and exciting products. The new location is a much larger facility with increased capacity for designing, manufacturing and producing new and existing A/V distribution systems.

Pragmatic focuses on wireless and wired A/V distribution systems, high performance amplifiers and TV/FM tuners. Pragmatic Communications Systems Inc., located in the heart of Silicon Valley, was founded in 1994 by award- winning engineer Prasanna Shah. Based in Santa Clara CA, the company designs and manufactures products in the U.S., for both professional and consumer contracting markets. Pragmatic products are used throughout the world in demanding life-critical, educational and entertainment applications. The company’s products are marketed exclusively to systems contractors.
